

Grading Practices

School: Kellam High School

Subject(s): AP Biology

Grade Level: [Click or tap here to enter the grade level.](#)

Homework

Any graded homework will not exceed 10% of the quarter grade.

Late Work

It is up to the student to complete all work prior to any summative assessment. Late work will receive a penalty of no greater than 50%. Any late work or missing work must be submitted no later than 1 week prior to the end of the quarter.

Explanation of Zeroes

For work not turned in, students will have their assignments marked as "Missing" or "Absent" in the gradebook as a placeholder, calculated as a zero for communicative purposes. Scores for missing assignments will be entered in accordance with late work /make-up work policy. This will replace any previously entered zeroes.

Reassessment

Students will have the opportunity to correct graded work. This will allow them to review the material to earn up to 50% of their points back. The guidelines for doing corrections are posted in Schoology.

Make-up Work

It is up to the students to complete all work prior to any summative assessment. All excused make-up assignments will be completed within one week of student's return to school, in accordance with the late-work policy.
