

Grading Practices

School: Kellam High School

Subject(s): Chemistry

Grade Level: [Click or tap here to enter the grade level.](#)

Homework

Any graded homework will not exceed 10% of the quarter grade.

Late Work

Any graded assignment will be accepted as late work. Late work will be accepted until one week prior to the end of the nine weeks period. A 30% point deduction will be taken on all late work.

Explanation of Zeroes

When a student does not turn in an assignment it will be marked "Missing" in the grade book. If the student was absent the assignment will be marked "Absent." Work marked absent will be treated as make up work. Work marked missing will become a zero in the gradebook according to the late work policy.

Reassessment

All students will have the opportunity to review or retake assessments after satisfactorily completing necessary/equivalent review and/or remediation assignment. In order to be eligible for reassessment/retakes students may need to complete all or any missing work.

Make-up Work

Any assignment missed due to absence for any reason can be made up. All make up work should be completed within one week of returning to school. There will be no point deduction taken as long as the work is turned in within the one week timeframe.
