

Grading Practices

School: Kellam HS

Subject(s): Math

Grade Level: DISCRETE MATHEMATICS

Homework

Homework will be assigned after most classes and will be checked for completion. Homework will count 10% of the nine weeks grade

Late Work

Late work (homework, classwork, projects) will be accepted up until the unit test

Explanation of Zeroes

A grade of zero will be assigned in the case of missing assignments, zero points earned, or cheating offenses.

Reassessment

Reassessment can occur if the student has failed the assessment. They must have completed all the assignments for that unit and completed test corrections prior to reassessment. The highest possible grade on a reassessment is a 64.

Make-up Work

Makeup work will be accepted in the case of an excused absence. The student should work with the teacher to arrange times for making up tests and quizzes, usually during study blocks or after school.

Extra Credit

No extra credit is offered in this course. There will occasionally be a bonus problem included on a test or quiz.
