

Grading Practices

School: Kellam HS

Subject(s): Math

Grade Level: MATH CAPSTONE

Homework

Homework will be assigned regularly in the form of a written assignment or as a video to watch. There will be a spot check, homework quiz, or effort grade. It will count 10% of the total grade.

Late Work

Late work will be accepted up to the unit test for half-credit

Explanation of Zeroes

Zeros will act as a placeholder for any missing assignment for excused and unexcused absences. Grades will be updated upon completion and reception of the missing assignment. If the assignment is not made up by the imposed deadline for each grading quarter, the zero will remain.

Reassessment

Only available with no missing assignments. Must be done before the next unit test.

Make-up Work

Needs to be made up before the unit test is taken. It is at the teacher's discretion as to what needs to be made up.

Extra Credit

Only available with no missing assignments. Must be content related (within the unit)
