

## Grading Practices

School: Kellam High School

Subject(s): World History II

Grade Level: Social Studies

### Homework

**Homework will be assigned nightly and will count 10% of the final nine weeks grade.**

### Late Work

**For any absence (excused or unexcused) missed assignments will be accepted; work is due the day of the assessment. However, work will be accepted up until a week before the end of the nine weeks. Any work turned in after the assessment will be considered late work, which will then be subject up to a 30% penalty. Test and quizzes can be made up until the deadline established at the end of each quarter with no penalty.**

### Explanation of Zeroes

**Zeros will act as a place holder for any missing assignment for excused and unexcused absences. Grades will be updated upon completion and reception of the missing assignment. If the assignment is not made up by the imposed deadline for each grading quarter, the zero will remain. An earned 0 is a zero and a missing 0 is a MI, a zero for absence is AB.**

### Reassessment

**Students may be given the opportunity to do test corrections provided that they have completed the study guide for the test and are caught up any and all missing assignments.**

### Make-up Work

**For any absence (excused or unexcused) missed assignments will be accepted; work is due the day of the assessment. However, work will be accepted up until a week before the end of the nine weeks. ### Extra Credit

**Extra credit may be given to support learning objectives.**
